## Directors Message-

Happy New Years! We had some crazy rain over the Holidays and for the first time in 20 years it rained on the Rose Parade. Thank you to Nancy Harvey and everyone that helped showcase our beautiful Arabian Horses to the world. Luckily the rain stopped right before we entered the parade and we were able to get around Camera Corner dry, but it started up again right after. The horses handled it like superstars. We can not wait to do it again next year!!!

Show season has begun and I want to ask everyone to support your local shows. If you cannot attend a show as an exhibitor, please sponsor a class. We need to keep shows going!

Our first Region 1 meeting of the year will be by Zoom, January 21<sup>st</sup>. Social hour at 6:00, the meeting will start at 6:30. To keep our weekends free, we voted at the last meeting to do the Zoom meetings on a Wednesday. The zoom link will be sent out shortly.

Future Meetings will be.

Aug 12, 2026 – Zoom  
Nov 4, 2026 – Zoom

At the 137th Rose Parade in Pasadena, California, riders, walkers, and Arabian horses made a memorable impression despite heavy rain pouring throughout the day, highlighting the remarkable versatility and spirit of the Arabian horse. The Arabians excelled across a wide range of disciplines, showcasing elegant costumes, carriage driving, Western and English riding styles, Endurance & more. We are so proud of this group, some new and some returning, for showcasing the beauty, love, and all-around appreciation of the Arabian horse.
